April 23-26, 2025
Hôtel El Aurassi, Alger

WELCOME LETTER

The Algerian Society of Rheumatology (SAR), the Algerian Anti-Rheumatic League (LAAR), and the Association of Private Algerian Rheumatologists (ARAP) are pleased to announce the upcoming Arab League of Associations for Rheumatology Congress, **ArLAR25 Algeria**, which will be held in person from **April 23 to 26, 2025**, in **Algeria**.

This congress promises to be a landmark event, bringing together leading Arab and international experts in the field for insightful exchanges and major scientific advancements.

The four-day program is rich with current topics and will feature plenary sessions, parallel sessions, and continuing medical education lectures. Practical workshops will also be organized to encourage interaction and debate among participants. In addition to various educational sessions presented by distinguished Arab and international speakers, the congress will offer a platform for oral and poster presentations showcasing diverse research conducted by numerous rheumatology teams.

This congress represents a major opportunity to bring together the rheumatology community to achieve new milestones through multidisciplinary sessions and educational initiatives, all designed to foster collaboration and knowledge sharing.

We would be honored by your presence and participation, which would be a valuable contribution to this prestigious event.
